Memorandum to the files:

Subject: Central Intelligence Agency

Because of the need for directing effort elsewhere, Mr. Neuwirth was authorized by the Director of Audits on or about March 5 to do nothing about the subject audit assignment for another six months.

At the present time there is one man engaged on this work at the site. However, the work in the subject matter is so confidential that the auditor cannot discuss it with anyone in this office.

Mr. Neuwirth was assigned responsibility for this audit in the assignment notice of January 5, 1953.
